**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

1. The reply filed on 12/14/05 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the claims that are submitted are different then the claims that were submitted 6/15/05. Therefore this is a non-responsive amendment because if the applicant wants these new claims then the claim modifier is incorrect, but the examiner assumes that the applicant has made an error and submitted the wrong claims because of the telephone interview conducted 4/19/05. Thus the examiner doesn't want to act on these claims since this would cause a final office action on the wrong claims and thus cause the applicant extra expenses to further prosecute the case. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
